Beam Aesthetic Lounge is Medspa located in the Metlox in downtown Manhattan Beach. Maggie Heaton is our Nurse Practitioner who is donating a (1) microneedling and (1) dermaplaning treatment. Microneedling is a minimally invasive skin procedure that treats fine lines, wrinkles, uneven skin tone while building collagen and stimulating elastin production. Great for all skin types except very active acne. This procedure has minimal downtime with is typically 1-2 days of mild redness. Dermaplaning is an exfoliating procedure to remove the fine, peach fuzz hairs from the face giving you a smoother, brighter complexion. Also included in this donation is a (1) Beam Niacinamide Serum, (1) Agent Nateur Lactic Acid Brightening Cleanser, and (1) Agent Nateur Filter Face Moisturizer. If you're theâ€¦
