MALCOLM GLADWELL - Observer, Thinker, Podcaster & Author
Thursday, November 21, 2024 "Long Beach at 7:30 p.m.
Â SEATS IN SECTION A

Malcolm Gladwell, the master storyteller celebrated for his gift of simplifying complex ideas, is among the world's most revered observers and thinkers. His six bestselling books, including The Tipping Point, Blink, and OutliersÂ reshape our perceptions. Drawing from diverse fields like sports and business, Gladwell uses captivating narratives to illuminate human behavior and societal dynamics, sparking discussions on success and cultural trends. He is the co-founder of Pushkin Industries, where he co-hosts the successful podcasts "Revisionist History" and "Broken Record." Gladwell's influence extends to being named in the TIMEÂ 100 Most Influential People list and
