She began as a muralist and specializes in animal eyes, animal portraiture, trompe l'oeil, and commissioned artwork. One of Jacque's goals is image diversity, "Each painting has its own lessons for me. I am an explorer of color and form...you will see everything from portraiture to non-representational work. I need diversity in painting as in life. I want the viewer to think, to smile, to enjoy..." \*\*\*\*\* Jacque is a signature member of the International Society of Acrylic Painters.
