*This is a UNIQUE ITEM! This Hawaiian Queen size Quilt w/ two (2) shams is of the Regency Collection 'Pikake-Jasmine' pattern. Can be used on a bed or hung on a wall. \*\*\* Hawaiian Quilting is world famous for its dramatic "Kapa Lau" or bed quilts. \*\*\* Each quilt is hand quilted by Master Quilters, taught in the traditional Hawaiian style of quilting, each with many years of quilting experience and a love of quilting. \*\*\* Each Quilt has over 250,000 stitches and averages 6-8 stitches per inch. \*\*\* The term "Hawaiian quilt" refers to the method by which the quilt is made. The design is appliquéd, using the hidden or "blind" stitch method, onto the background material. It is then quilted with a ripple or echo pattern. Every piece is handmade with great care to insure your total satisfaction!*
