Ambergris Caye, Belize

Ambergris Caye, a hidden gem in the Caribbean, beckons with its lush mangroves and turquoise waters. As home to the world's™ second-largest barrier reef, this island paradise offers soft white sands, world-class scuba and snorkeling, and a laid-back vibe. Just a boat ride from San Pedro, your beachfront villa provides a serene tropical escape, complete with a snorkel and boat tour.

The villa blends Latin American and Caribbean design, with vaulted ceilings, terracotta tiles, and local artwork. Two bedrooms, one King and one Queen, are thoughtfully decorated with vibrant tropical accents. French doors open to a private deck, offering stunning sunrise views and direct access to the soft sands and crystal-clear waters.

With on-site kayaks, a pool with ocean views, and nearby
