Charming Wood-Lined Cabin with Fireplace and Dining Deck is Close to Big Bear!

Get ready for mountain fun in this charming two-story cabin perfect for a romantic weekend or small-family vacation. You're minutes by car to Big Bear Lake, village and snow sports, but worlds away from the busyness on a large wooded lot in a tranquil neighborhood. You'll love the two-story wall of windows in the living room of this gambrel-roofed home, bringing space and light to the sweetly rustic space. A rock hearth for a fire, soft carpeting, plush sofas, and a Smart TV invite you to relax in the wood-lined living room; chairs on a deck right out the door let you bask outdoors in the sun. An adorable, fully equipped kitchen has fire-engineered cupboards and a dining table for four. Out the kitchen door is a spacious deck with a barbecue, propane fire-pit, and dining set-up for

quiet evenings under the stars. One bedroom has a king bed; the other is in the loft, with a twin bed, trundle, and desk. They share an updated bath with a walk-in shower.

You're only five miles from fun on the lake, shopping and dining in the village and skiing or hiking at Snow Summit and the other resorts.
