

Veterans Life Center NC

#25

Starting Bid **\$75.00**

Donated by **Veterans Life Center**

Help at Risk Veterans. The Veterans Life Center (VLC) is designed to help at-risk 21st Century veterans and prevent them from falling into crisis – chronic homelessness, incarceration, suicide or premature death. Their mission is to improve the lives of 21st Century North Carolina veterans who are experiencing reintegration problems by providing temporary housing and services with the goal of achieving self-reliance. If you know a veteran who is struggling with homelessness, addiction, mental health issues, or other challenges, please refer them to the Veterans Life Center of North Carolina. The VLC is a safe and supportive place where veterans can receive the care and assistance they need to rebuild their lives.
