

Blue Morpho

#46

Starting Bid **\$150.00**

Donated by **Rebeca Garsan - student**

Small - 12 inch butterfly

The beauty of this butterfly is remarkable. When it's at rest, we observe its wings seamlessly blending, camouflaging with the surroundings. However, when it spreads its wings, it reveals its internal beauty, leaving us with a profound lesson not to judge things solely based on appearance.

Rebeca, an 11-year-old girl, has shown a passionate interest in art since a young age. Raised in an environment surrounded by art, she has found inspiration and motivation to keep

learning. Over the past three years, Rebeca has taken classes with Natasha, an experience that has significantly helped refine her artistic talents.
