

Here's Lookin' At You

#39

Starting Bid **\$250.00**

Donated by **Jay Murphy**

Small - 12 inch butterfly

Jay is a Past President of Phoenix Rotary 100. Art is a hobby and he tries to apply creativity to music, oil painting, software programming, 3D CAD design, business processes, and now - butterfly art. He says his inspiration for his design is simply looking at the amazing variety and complexity of real butterflies. He made up the design pulling "little bits" from many different species.
