Cheri Reckers earned her BFA with honors from the Columbus College of Art & Design and has been a studio artist for over 30 years. Her award-winning artwork has been exhibited nationally and internationally and has appeared in numerous publications.

Having lived in the desert southwest for most of her life, Cheri's paintings are often inspired by patterns in nature and the Sonoran desert surrounding her home in the San Tan Mountains. *Cheri also loves southwestern cuisine, particularly anything spicy with chiles! That along with the desert temperatures having hot days and cooler nights has inspired her "Hot Days & Chile Nights" series of works.*
