Bjorn found his true self in eternal being, our unified Spirit. I am nobody, I am everybody, I am filled with Spirit, a man from Mesa Arizona. The timeless times I really encounter painting, my soul opens whole, pouring out in terribly beautiful color. When meditative in prayer under a tree in Mesa Arizona, I encountered the Spirit, who spoke clear to me, "I AM the One who's created all, who inhabits all with light love and life. I am blessing you with my creative Spirit. You are to"
