Tranquility is a state of mind where neither the thoughts of past nor the thoughts about future are disturbing you. It's a deeper sense of peacefulness, calmness and satisfaction. "Tranquility is how I feel when I create my art. Butterflies are beautiful, colorful, delicate, fluttering. They are symbol of beauty and strength to me."

Natasha was born in 1966, on Baku, Azerbaijan. Beginning in 1994 she studied Fine Art and Illustration in Baku. Natasha continued to study Fine Art and Art Restoration in St. Petersburg, Russia. Natasha obtained her Associates Degree in Fine Art in Mesa Community College, Arizona.

Whether oil paintings, or charcoal drawings,... of nature, equestrian, portraiture, the realism, and likeness of her work is striking. *As an artist*
