Small - 12 inch butterfly Inspired by looking up for answers only found within and how avoidance keeps us detached just enough to keep going. Zon wants to remind the viewer of the energy and power we all have within, and to spark joy and create excitement. My art is fueled by the thought that life was meant to be enjoyed and celebrated, as is illustrates the experiences ad stories we all have in common. ZON Carvalho is a Brazilian born mixed-media artist, currently based in Arizona, who translates raw, street driven energy into layered contemporary works that energize spaces and shift mindsets. Using acrylic, aerosol and decisive mark-making he builds surfaces that feel lived-in - rhythmic and defiant - inviting viewers to move from survival into possibility. His mission is to create
