Small - 12 inch butterfly Inspired by Ephesians 4:32 Be Kind to one another, tender, hearted, forgiving one another as you are forgiven. Kindness is something our world is desperate for with growing fears and anxieties. Everyone could use a kind word or gesture. Carolyn Zbavitel lives in Scottsdale, AZ. She developed her painting skills over the past 25 years. Inspired by the work of watercolor artist Alvaro Castagnet, with whom she has studied, Carolyn prefers watercolor for its simplicity and allure. I am challenged by the next subject landscape, cityscape, or recently abstract contemporary paintings. My execution style is bold color and intuitive design. Gabriele Munter is a German Expressionist whose style she adores. She is not limited to any genre and says I paint what I like!
