Starting Bid **\$300.00**

Donated by **Carolyn Zbavitel**

Small - 12 inch butterfly Inspired by Joshua 1:9 a primary Bible verse for courage commanding believers to be strong and courageous and overcome fear and discouragement through the reliance on God's presence rather than personal strength. Carolyn Zbavitel lives in Scottsdale, AZ. She developed her painting skills over the past 25 years. Inspired by the work of watercolor artist Alvaro Castagnet, with whom she has studied, Carolyn prefers watercolor for its simplicity and allure. I am challenged by the next subject landscape, cityscape, or recently abstract contemporary paintings. My execution style is bold color and intuitive design. Gabriele Munter is a German Expressionist whose style she adores. She is not limited to any genre and says I paint what I like daily.â€¦!
