

Twilight Bloom

#27

Starting Bid **\$300.00**

Donated by **Tonya Shelstad**

Small - 12 inch butterfly A glowing duo of desert flowers in neon. This small sculpture radiates renewal and wonder, capturing the vibrant energy and delicate beauty of the desert. As a locally born and raised Arizona artist, Tonya finds painting to be a form of meditation that allows her to be present in the moment and mindful of the world around. You can often times find her hiking and painting outdoors next to a cactus.
