Get ready for your next adventure with Patagonia's Atom Sling Bag 8L! Made of 100% recycled polyester, this low-profile sling bag is perfect for biking, hiking, or traveling. With two compartments and exterior compression, you can easily manage your loads. The asymmetrical harness carries close to your body for all-day comfort, while the soft and highly breathable mesh on the back panel and strap keeps you cool and comfortable. The large and expandable stretch pocket on the strap holds your phone or other essentials within reach. With a volume of 8 liters, this sling bag has just enough room for your daily essentials. Get yours today and enjoy your next adventure in style. In addition to the sling bag, this six-panel, mesh-back trucker hat features a traditional ball-cap fit and snap back-strap closure for a comfortable and adjustable fit. Made of 100% organic cotton fabric with a brim made of 100% recycled fishing nets, this hat is both stylish and eco-friendly. The Patagonia logo on the front adds a touch of authenticity and outdoor spirit to your outfit. Whether you're hiking, camping, or just enjoying the outdoors, this hat is perfect to show your love for nature!
