Starting Bid **\$150.00**

Donated by **Scott Robertson**

This offer is for a 2-2.5hr Zoom cooking session with Professional Chef Scott Robertson! Â Scott has owned a catering business for over 20 yrs and been an owner/chef of a successful restaurant in the Palm Springs area. Â Scott has cooked for former Presidents, Larry Ellison (Oracle), Politicians, and countless others. Â Gather up to four friends (log-ins for Zoom) and work with Scott to determine a meal that you would like to learn how to prepare. Â Scott can do just about anything. Â This is a fun

idea for couples/friends to experience together while learning new skills in the kitchen. Once you determine the meal, Scott will forward you the ingredients to purchase prior to the scheduled Zoom class (including vegan/vegetarian alternatives). You'll work with Scott to determine a date and timeâ€¦
