**Donated by Otis College Extension** 

Choose from a multitude of individual courses and workshops geared toward children and adolescents who are interested in expanding their artistic boundaries. Otis College Extension offers a large spectrum of both weekend and after-school programs that will advance your child's interest and abilities in art and design. From courses in painting, animation, photography, drawing, and numerous other disciplines, to portfolio preparation for college applications, our lineup of programs will meet whatever goals your child is looking to reach. https://www.otis.edu/extension/youth
