Throughout our first 54 years, we've created a special culture which focuses on relationships, people development and growth. Today, with over 3,500 employees in Chicago, Indiana, Milwaukee and Arizona, Lou Malnatis's was recognized as one of the Chicago Tribune's Top 100 Places to Work for the 15th year in a row and also voted as a National Top Workplace for the 5th year straight. Because of our devoted staff and loyal customers, we'll be opening even more pizzerias in existing markets, and will continue to explore new markets to persuade people across the country to expand their pizza horizons to include our famous deep dish! We're growing our nationwide deep dish delivery through our online

shipping website. Thatâ€™s right, you can have our famous deep dish deposited on your doorstepâ€¦!
