1998 Arizona Diamondback inaugural season team photo, team pins and a Jerry Colangelo signed ticket (6th game, April 5, 1998 vs the SF Giants). *** The 1998 Arizona Diamondbacks season was the Diamondbacks' inaugural season. *** They looked to contend in what was a strong National League Western Division. They finished the season 33 games behind the National League Champion San Diego Padres with a record of 65-97, last in the division. *** Jeff Suppan was the last player from the inaugural team still active in Major League Baseball when he retired in 2012. ***
