How about this one! Tempe's very own Mayor, Corey Woods, will come to your home & be your personal 'Celebrity Chef' for the evening *** You may have up to six (6) people at the dinner & between you & the Mayor, you will be able to decide what date works best as well as what the menu will be for the evening. The Mayor will then do all the shopping necessary, procure all the ingredients needed, come to your home and cook up a fabulous (well, that jury is still out, we'll be waiting for your critique!) meal for all to enjoy. *** Go to Conditions / Restrictions for more details***
