\*\*\* The Arizona Diamondback Major League baseball team began playing baseball at Bank One Ballpark in April of 1998. \*\*\* What did it take to build a professional baseball stadium & a Professional Baseball Team? Here's your answer! \*\*\* This extremely unique, hard to find two volume set in a collectors items! One book goes thru, with great picture detail and script, the building of what was affectionately known as 'BOB', Bank One Ballpark. \*\*\* The second book is how Jerry Colangelo orchestrated the MLM governing committee to approve and then build a expansion team in the desert, one that would go on just a few years later to win the World Series! If you are a baseball fan, this is one for the collection...
