Client Reviews

"Brady Glen was, by far, the best magician we've ever hired for a corporate event! He

was

engaging with our guests and his performances were top notch. We received so many compliments from our customers who were truly astounded with his magic. a few weeks after

our event, we had the pleasure to see Brady Glen perform at The Magic Castle in Los Angeles. He was the best act of the entire evening!"

"FABULOUS! Great personality, reliable, excellent magician, and he had all my guests FULL

attention trying to figure out how he did what was done. A great addition to ensure a successful

party."

"Brady was fabulous! We booked Brady as entertainment for my dad's 70th birthday. We had a

group ranging in age from 3 to 93 and everyone was entertained fully. Brady started off with a

trick that had us all wondering "How did he do that?!" He continued to amaze us all.

With a

combination of humor, mentalism and magic, Brady kept us engaged and amazed. I would hire

him again and would definitely recommend him to anyone looking to spice up an event."
