This fascinating ring and earrings are made for the everyday spotlight! Beautifully designed in California and finely crafted in solid 925 sterling silver and simulated onyx, quartz and diamonds. Striking the balance between dramatic and refined, the shape of gardenia flowers outlines HER delicate and feminine side, the colors contrasting HER strength and sensitivity, while the two hearts signify the love for herself and her children, giving her motivation to keep going. The ring is the messenger of EMPOWERMENT and it has the word engraved on the bottom. Outstanding packaging for gifting or to hold your keepsakes. Created exclusively for the philanthropic community!

Our jewelry goes through a special process, starting with high polish, followed by a coating of palladium, then platinum and finished off with a layer of rhodium or yellow gold. With A Purpose is known for: timeless elegant design, luxurious look and feel and everlasting quality.
